Sports at Brandon 2025

Dear Whānau and Caregivers

At Brandon Intermediate, we pride ourselves on being able to offer the students a range of sporting opportunities throughout the year. We have no less than 10 different sporting codes on offer this year. However, due to being a smaller intermediate, we are unable to offer all of them without the support of our community. If you can coach or support in transport this year please let us know.

Tournaments & events during school hours:

All events below are a ONE-DAY tournament. Your coaching responsibilities would be:

- Facilitate training once a week for roughly 3-4 weeks leading up to the event.
- Coaching on the day/teacher support on the day (and support with transport if possible).

How we select teams:

All teams will be selected after sign-ups and a trial. Students are responsible for signing themselves up for these events. We encourage all tamariki to keep an eye on the internal school notices.

For all sports, there will be a cost of \$10 to help support transport costs.

If you are interested in coaching or able to offer transport please contact:

Stacey Darling - Sports Coordinator - stacey.darling@brandonintermediate.school.nz

Or the school office Phone: 237 4599

Please see overleaf for the sports we have off this year

Yours sincerely

Stacey Darling
